Hart County Charter System continues to monitor the COVID-19 with guidance by state and local health organizations. At this time, there are no cases of COVID-19 in our area; therefore, Hart County Charter System will remain open until further notice. We feel, based on the information we have collected, this is the best decision for our students and community.

During this time:

- All GHSA events have been suspended for two weeks
- All out of county field trips are cancelled until further notice including:
 - The 5th grade field trip to Washington DC
 - The Middle School tour of Georgia
- No out of district travel will take place

We do understand that events could change and we are making plans, as well as monitoring the situation in case we do need to close school. Part of those plans include canceling parent teacher conferences on Tuesday, March 17, 2020. School will still be in session that day and students will dismiss at 1:00. The afternoon will be utilized for teachers to prepare digital lessons, as well as lesson packets. Teachers and principals will be sending out information regarding digital and distance learning if needed in the future.

In this uncertain time, we appreciate our community for their continued support. Please take the necessary precautions to your families, and the broader community safe. As the situation has continued to change rapidly, our top priority remains the health and well-being of our school community.

Sincerely,
